Carry it Forward

We have raised \$1,167,979.74 through actual giving and pledges. Though short of our goal, with designated gifts received we have been able to reduce our mortgage debt by \$500,000. Many heartfelt thanks to all of you who made donations and pledges and a reminder to those of us who have been meaning to get around to it that there is still time to participate in this endeavor to make our campus debt free. - Kent Friedman, Co-Chair
