

# CONFIRMATION 2020 - 2021

## IMPORTANT THINGS TO KNOW

### WHAT IS CONFIRMATION?

Confirmation is an important and exciting experience Christians journey through to develop a better understanding of who God is and who we are, why faith is important, and how to live a fulfilling life as a member of the church. It's **not** a checklist item on the imaginary "Christian checklist", but a life-changing commitment as we grow to understand and *confirm* our beliefs as Christians.

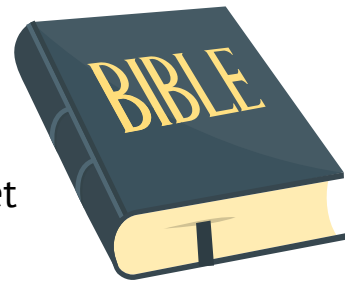

### WHAT SHOULD I EXPECT?

Youth should expect to have fun while growing in their faith through Biblical lessons, activities, awesome videos, and new and meaningful friendships. We will cover a wide variety of topics from Creation to Methodist history, the life of Jesus to our calling as Christians, baptism to salvation. Each week we'll learn and have some fun as well!

"I made so many amazing memories and connections with some of the most important people in my life now. The friendships and memories will last a lifetime!" - Sarah O., Confirmed in 2018

### HOW SHOULD I PREPARE?

Confirmation is designed to help students of all levels of theological knowledge discover the beauty of a committed relationship with Christ. While we provide the teachings, videos, and activities, we leave it up to the Holy Spirit to intervene and set a fire in the hearts of the students who are willing to dive deeper into life with God. So come with a Bible and an open heart!

### WHO IS INVOLVED IN CONFIRMATION?

Confirmation is for 8th-12th graders ready to take the next step in their relationship with Christ! In addition to you, the Confirmand, there will be a few adult leaders teaching the lessons, members of the church praying for you throughout your journey, and student mentors who loved Confirmation so much they wanted to be a part of your journey too!

Confirmation helped me develop a better understanding of Christianity as well as form a bond with the other students around me in our faith. - Danielle F., Confirmed in 2015
