Study

Can I Trust the Bible? The Bible is the most important book of the last two millennia. From sitting at the formation of governments, cultures, and laws, this collection of ancient documents has shaped the modern world in ways you may have never realized. However, while the Bible's influence has remained, central attitudes towards it have radically shifted. Are there good reasons to take the Bible seriously? Can we have confidence that it hasn't been altered, adapted, influenced, and edited since its last book was penned nearly two thousand years ago? **Join us Sundays at 9:30 AM in the Library.**
No registration needed, all are welcome!

Serve

Our Food Packing Event will be held today from 9:00 AM—12:30 PM in the Sauter Wesley Gym. The event will feature **“Desserts of the World”** and our Mission Board members will be available to showcase the incredible work our congregation has supported throughout the year.
